

A SPECIAL BULLETIN FROM YOUR SHED WELFARE TEAM

HIGHS and LOWS of our shed for the year.

This year has been a year of ups and downs. The low of course is the second closure of our shed due to the current health situation.

We all know that we are in the highest risk group so let us stick to the rules as best as we can and then we can hope the end of the crisis may be in sight.

Any member seeking assistance from the shed should contact our Welfare Team leader Phil Terry 0419 137 313. Phil has direct access to the City of Monash and WaveCare Counselling Services that are two key organisations that can help us if need be. Phil has enlisted other members to join the regular ring around. Let us know if you don't want or need a call.

June 18th was easily the high point of our shed's brief history

We had the pleasure of hosting a visit to the shed by the Governor General of Australia David Hadley and his wife Linda. It truly was a memorable occasion with everybody being able to have a quick chat with them. Mr and Mrs Hurley really enjoyed their time at the shed and were impressed with our facilities and activities.

His Excellency is the Patron of the Australian Men's Shed Association (AMSA) and was in Melbourne for Men's Health Week. His excellency and Mrs Hurley try to visit men's sheds whenever their schedule allows.

TOP SECRET

What was being shared by the Governor General with Phil Terry, David Harding and John Gillies?

Find out the answer in one of our future Broadcasts..!

Mrs Hurley led all in attendance to a song specially written for shed visits. It was amazing to hear all the men participate in the chorus of her song. Nobody missed out even the guys were brought out from the workshop for an impromptu sing-along to the tune of "You are my Sunshine".

Shed TV

Our virtual shed has commenced.

Tune into YouTube and see what is happening at the shed.

Weekly news bulletins and clips of interest will be provided by OCSN (Odd Couple Shed News). Produced by Phil Terry and Daniel Roper Shed TV will help us remain connected to our shed and to hear what going on. Some interesting guests have been invited to join is for what we hope are not to be missed interviews.

Follow the links we send you or simply go to you tube and search Monash Mens Shed.

A job vacancy has been posted on the website Ethical Jobs. The role is for a Coordinator at the shed on a part time basis. Interviews start soon and we hope to have news on an appointment in the next few weeks.

Correction

Recent communications from the shed have contained some errors. One of our advices indicated that our regal visit was in July when in fact it was June and we apologies for this error.

Secondly a recent Bulletin spelt the surname of one of our members incorrectly. All members are advised that the correct spelling of Jack's surname is Terrible. If you are uncertain how to pronounce it just speak to Jack.

If you have any news to share please email the information to info@monashshed.org.au
