## COVID-19 Update

The latest changes that have been made to the COVID-19 Safety Action Plan, are that it is now not compulsory to wear facemasks whilst inside the Shed facilities; although the wearing of masks is still recommended.

We have placed our QR Code next to the attendance sign in sheet. If you're able to, we'd appreciate your using the QR Code in addition to physically signing in. Remember that we have been

able to double the number of people in each area as

We still need to improve our signing out at home-going time, though. Please feel free to remind each other that this is important for both our insurance provider and for COVID-19 tracing

## Boss Cocky Roster

When the Shed is open on Saturdays, Public Holidays and other times that the Shed Co-Ordinator is not working, senior members of the Shed act as Duty Officers – with the title of Boss Cocky.

Please remember that those Shed members who volunteer as Boss Cocky have not been trained to operate, teach or supervise all of the specialist tools that we have. So, please accept this gentle reminder to organise, with the team leaders, a mutually convenient time for you be trained up on the machines you wish to use.

We have some gaps in our Boss Cocky Roster for the rest of the year. Please let Aden know if there is a Public Holiday that you are not planning on being away for and would be willing to man the Shed.

## Garage Sale

Unfortunately the Garage Sale that we had planned for the Australia Day weekend could not go ahead. We have decided to wait awhile for further relaxing of COVID-19 rules before we push ahead with organising another.

## Card Games

For those interested in playing card games, these will resume at 09:30 on Tuesday and Thursday mornings starting from Tuesday 9<sup>th</sup> February in Bogong Hall

## New Supporter of the Shed

We welcome David Chen and his business YHI Power as supporters of our Shed for 2021. David has offered generous discounts on batteries to all shed members and their families. David can be contacted 03 9588 1888 to discuss all your battery needs. Just mention the Monash Men's Shed!

## Christmas Lunch Supporter

We were pleased to introduce a new supporter of the shed at our Christmas luncheon.

Pat and Dave from Deeds Brewing generously provided us refreshments for our celebration.

A visit to the Brewery is planned for 2021 and in the interim check out their range of beers at your usual liquor outlet.

There have been many good deeds at the Shed but this may be the best of all.
